## INDEX ISSUE

### *The Editor Says Goodbye*

This is my last issue as editor of the *International Communication Bulletin*. It contains an index of all the articles we have published since we changed from a four-page newsletter format in 1987.

My good friend Zeny Sarabia-Panol (Middle Tennessee State University), a former ICD head and otherwise tireless contributor to the Division's work, will be the editor as of January 2009. Please send all submissions and other correspondence to her. Zeny's contact information is on the inside cover.

It has been my honor to serve the Division for 23 years as your editor. I took great pleasure in interacting with all the members, and I also learned a thing or two. I wish all of you all the best in your personal and professional lives.
